BILL NUMBER: HB 1245

NOTE PREPARED: Dec 22, 2003

BILL AMENDED:

SUBJECT: Neglect of Dependent.

FIRST AUTHOR: Rep. Van Haaften

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: ☒ **GENERAL**
☒ **DEDICATED**
☐ **FEDERAL**

IMPACT: State & Local

Summary of Legislation: The bill makes neglect of a dependent a Class A felony instead of a Class D felony if the neglect results in the death of a dependent who is less than 14 years of age and is committed by a person at least 18 years of age. It allows a school corporation to refuse to employ a person convicted of neglect of a dependent as a Class A felony, and it provides that consent to adoption is not required from a parent convicted of neglect of a dependent as a Class A felony. The bill also provides that reasonable attempts at reunification in a child in need of services proceeding are not required if a parent, guardian, or custodian has been convicted of neglect of a dependent as a Class A felony.

Effective Date: July 1, 2004.

Explanation of State Expenditures: Under current law, neglect of a dependent, a Class D felony, occurs if the person places a dependent in a situation that endangers the dependent's life or health, abandons or cruelly confines a dependent, deprives a dependent of necessary support, or deprives a dependent of education as required by law. The offense becomes a Class C felony if the act results in bodily injury or a Class B felony if the act results in serious bodily injury.

Under the bill, the offense would be a Class A felony if the offense (excluding deprivation of education) is committed by a person at least 18 years of age and results in the death of a dependent who is less than 14 years old. On average between 1999 and 2003, there were 34 offenders committed to Department of Correction (DOC) facilities for Class D felony neglect of a dependent, and 18 offenders for the Class B felony. On average between 2001 and 2003, there were 10 offenders committed for the Class C felony. There are no data available to indicate if these offenders would have been convicted of the Class A felony under the bill.

A Class A felony is punishable by a prison term ranging from 20 to 50 years depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$26,825 in FY 2002. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The average length of stay in DOC facilities for all Class A felony offenders is approximately 9.1 years.

The Family and Social Services Administration reports that there were 7,012 children who were substantiated as victims of abuse or neglect and were provided services in CY 2002.

Explanation of State Revenues: If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class A felony is \$10,000. Criminal fines are deposited in the Common School Fund. If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund.

Explanation of Local Expenditures: If more defendants are detained in county jails prior to their court hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

Explanation of Local Revenues: If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.
